Please refer to the Owner's Handbook Supplement for additional information regarding eligibility requirements in your state.

SECTION 3

CONSUMER INFORMATION

IMPORTANT: You must use BBB AUTO LINE prior to seeking remedies through a court action pursuant to the Magnuson-Moss Warranty Act ("the Act"), except in Georgia, although that option is still available to you. However, if you choose to seek remedies that are not created by the Act, you are not required to use BBB AUTO LINE, although that option is still available to you. You must also use BBB AUTO LINE if you are seeking remedies under the "Lemon Laws" of your state if your state statute requires you to do so.

A decision should be rendered within 40 days of AUTO LINE's receipt of your properly completed Customer Claim Form. BBB will mail you a copy of the arbitrator's decision and if you accept the decision, all parties must comply with the decision within the time limits (performance date) set by the arbitrator. Approximately two weeks after the "performance date," BBB will contact you to verify that the arbitrators' decision has been completed.

AUTO LINE's decisions do not include attorney's fees, civil penalties, punitive damages, multiple damages or consequential damages other than incidental damages which you may be entitled to under law.

If you reject the decision of the arbitrator you may pursue other legal remedies under state or federal law; the company will not be obligated to perform any part of the decision. Depending on federal or state law, the decision may or may not be introduced as evidence by the consumer or the company in any civil court action relating to any matter that has been resolved in your arbitration hearing and BBB involvement in the case will end as well.

Important: Please refer to the first page of the Genesis New Vehicle Limited Warranty for more important information regarding alternative dispute resolution and other legal remedies available to you.

BINDING ARBITRATION FOR CALIFORNIA VEHICLES ONLY

PLEASE READ THIS SECTION IN ITS ENTIRETY AS IT AFFECTS YOUR RIGHTS. THIS SECTION DOES NOT PRECLUDE YOU FROM FIRST PURSUING ALTERNATIVE DISPUTE RESOLUTION THROUGH BBB AUTO LINE AS DESCRIBED IN THE "ALTERNATIVE DISPUTE RESOLUTION" PROVISION IN SECTION 3 OF THIS HANDBOOK.

If you purchased or leased your Genesis vehicle in the State of California, you and we, Genesis Motor America, each agree that any claim or disputes between us (including between you and any of our affiliated companies) related to or arising out of your vehicle purchase, advertising for the vehicle, use of your vehicle, the performance of the vehicle, any service relating to the vehicle, the vehicle warranty, representations in the warranty, or the duties contemplated under the warranty, including without limitation claims related to false or misleading advertising, unfair competition, breach of contract or warranty, the failure to conform a vehicle to warranty, failure to repurchase or replace your vehicle, or claims for a refund or partial refund of your vehicle's purchase price (excluding personal injury claims), but excluding claims brought under the Magnuson-Moss Warranty Act, shall be resolved by binding arbitration at either your or our election, even if the claim is initially filed in a court of law. If either you or we elect to resolve our dispute via arbitration (as opposed to in a court of law), such binding arbitration shall be administered by and through JAMS Mediation, Arbitration and ADR Services (JAMS) under its Streamlined Arbitration Rules & Procedures, or the American Arbitration Association (AAA) under its Consumer Arbitration Rules.

SECTION 4

GENESIS WARRANTY INFORMATION

We will pay all fees for any arbitration except for the initial filing fee of \$250 for JAMS or \$200 for AAA. The arbitration will be held in the city or county of your residence. To learn more about arbitration, including the applicable rules and how to commence arbitration, please contact:

JAMS at www.jamsadr.org; 800-352-5267; or
AAA at www.adr.org; 800-778-7879

This agreement to arbitrate is intended to be broadly interpreted and to make all disputes and claims between us (including our affiliated companies) relating to or arising out of your vehicle purchase, use, or performance of your vehicle, or the vehicle warranty subject to arbitration to the maximum extent permitted by law. The arbitrator (and not a court) shall decide all issues of interpretation, scope, and application of this agreement. In any arbitration, the arbitrator shall be bound by the terms of this agreement and shall follow the applicable law. The arbitrator shall not have the power to commit manifest errors of law, and any award rendered by the arbitrator that employs a manifest error of law may be vacated or corrected by a court of competent jurisdiction for such error. The arbitrator may only resolve disputes between you and us and may not consolidate claims without the consent of all parties. The arbitrator cannot hear class or representative claims or requests for relief on behalf of others, or issue any award or remedy in arbitration against or on behalf of anyone who is not a named party to the arbitration, as permitted by law. In other words, you and we may bring claims against the other only in your or our individual capacity, and not as a plaintiff or class member in any class or representative action to the maximum extent permitted by law. You and we acknowledge and agree that, to the fullest extent permitted by law, we are each waiving the right to participate as a plaintiff or class member in any purported class action lawsuit, class-wide arbitration, private attorney general action, or any other representative proceeding. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy, then that claim or remedy (and only that claim or remedy) must be brought in court and must be stayed pending arbitration of the arbitrable claims and remedies. If a court or arbitrator decides that any part of this agreement cannot be enforced as to a particular request for public injunctive relief, then that request

SECTION 4

for public injunctive relief (and only that request for public injunctive relief) must be brought in court and must be stayed pending arbitration of the arbitrable remedies. If arbitration is elected by either party, the parties collectively agree that they waive their right to a jury trial.

Notwithstanding the above, either you or we may file a lawsuit in small claims court for any claims that otherwise require binding arbitration, if the small claims court has jurisdiction. In addition, either you or we may invoke any JAMS Streamlined Arbitration Rules & Procedures or AAA Consumer Arbitration Rules that allow you or we to have a small claims court decide any claims that otherwise require binding arbitration. This agreement evidences a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16. Judgment upon any award in arbitration may be entered in any court having jurisdiction.

GENESIS WARRANTY INFORMATION

IF YOU PURCHASED OR LEASED YOUR VEHICLE IN CALIFORNIA, YOUR WARRANTY IS MADE SUBJECT TO THE TERMS OF THIS BINDING ARBITRATION PROVISION. BY USING THE VEHICLE, OR REQUESTING OR ACCEPTING BENEFITS UNDER THIS WARRANTY, INCLUDING HAVING ANY REPAIRS PERFORMED UNDER WARRANTY, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE WITH THESE TERMS, PLEASE CONTACT US AT OPT-OUT@GMA.COM WITHIN THIRTY (30) DAYS OF YOUR PURCHASE OR LEASE TO OPT-OUT OF THIS ARBITRATION PROVISION.

NOTICES REGARDING THESE WARRANTIES

The warranties described in this Owner's Handbook give you specific legal rights. You may have other rights that vary from state to state.

Under these warranties, if your vehicle is properly operated and maintained, and was taken to Genesis Retailers or Authorized Service Facilities for warranted repairs during the warranty period, then Genesis Retailers or Authorized Service Facilities will, without charge, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a defect in factory materials or workmanship. This warranty does not mean that each Genesis vehicle is defect-free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes, and such defects could result in the need for repairs. These warranties are provided only to remedy manufacturing defects that result in vehicle part malfunction or failure during the applicable warranty periods.

Nothing in this warranty should be construed as requiring defective parts to be replaced with parts of a different type or design than the original part, so long as the vehicle functions properly with the replacement part. Moreover, Genesis and its Genesis Retailers or Authorized Service Facilities are entitled to a reasonable time and a reasonable number of attempts within which to diagnose and repair any defect covered by these warranties.

As a condition of these warranties, you are responsible for properly using, maintaining, and caring for your vehicle as outlined in the

your Owner's Manual. The Owner's Manual indicates the scheduled maintenance required for your vehicle: proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance, may help increase the value you receive when you sell or trade your vehicle, and is important in allowing your vehicle to comply with applicable emissions standards.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Genesis engineering specifications. Failure to perform scheduled maintenance as specified in your Owner's Manual may invalidate warranty coverage on parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle. Your Genesis Retailer or Authorized Service Facility has factory-trained technicians who can perform the required maintenance using new Genesis/Hyundai Genuine Parts or Genesis/Hyundai authorized remanufactured parts.

WHAT IS NOT COVERED

Items not covered by this warranty and any exclusion or limitations relating to this warranty are the same as those set forth in the “What is Not Covered” section of the Genesis New Vehicle Limited Warranty already described in this handbook.

INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

ORIGINAL OWNER

Original Owner is defined as the first retail purchaser of the vehicle who took delivery of the vehicle on its date of first use. If the vehicle was first placed in service as a lease vehicle, and the lessee purchases the vehicle at the end of the lease, the 10 year/100,000 mile Powertrain Limited Warranty remains in effect.

If the vehicle was first placed in service as a Genesis Branded Manager Demonstrator Vehicle, or Genesis Branded Service Loan Car, the original (first) retail purchaser of the vehicle is considered the original owner, and the 10 year / 100,000 mile Powertrain Limited Warranty remains in effect. This warranty is not transferable to any subsequent owner. Subsequent owners have powertrain components covered under the 5 year/60,000 mile Genesis New Vehicle Limited Warranty. The 10 year/100,000 mile Powertrain Limited Warranty also excludes coverage for vehicles placed in commercial use (e.g. taxi, route delivery, rental, etc.).

SECTION 7

WHAT IS COVERED

Any Genesis branded vehicle body sheet metal found, under normal use, to have developed a perforation (rust hole through the body panel) from corrosion due to defects in material or factory workmanship.

WARRANTY PERIOD

7 years/Unlimited mileage from the date of original retail delivery or date of first use.

GENESIS ANTI-PERFORATION LIMITED WARRANTY

OWNER'S RESPONSIBILITIES

Your responsibilities are the same as those described in the Genesis New Vehicle Limited Warranty with the exception of one additional requirement:

- * Retain any body repair records. It may be necessary for you to show that the required anti-corrosion material has been applied to any previously replaced or repaired body components.
- * Exhaust system components.
- * Corrosion of any part of the vehicle other than body panels.
- * Corrosion of body panels that have been previously repaired or refinished from the original factory finish after the date of retail sale, except for body panels repaired under this Anti-Perforation Limited Warranty.
- * INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

SECTION 7

GENESIS ANTI-PERFORATION LIMITED WARRANTY

- * Corrosion of any body panel replaced after the date of retail sale, except panels replaced under this Anti-Perforation Limited Warranty.
- * Corrosion other than perforation. Cosmetic or surface corrosion due to defects in material or factory workmanship is covered under Paint Coverage for 36 months or 36,000 miles, whichever occurs first.
- * Corrosion of the exterior surface of the underbody panels such as floor pan.
- * Corrosion resulting from: misuse, accident or fire, stone chipping, airborne "fallout," industrial and/or chemical fallout, acid rain, tree sap, hail, wind storm, flood, or other Acts of God.
- * Corrosion caused by lack of proper maintenance, misuse, or abuse.
- * Matching of paint. Painting of the entire vehicle for matching of paint is not covered. Painting of the replaced or repaired panel to match the vehicle's original finish is to be decided by GMA on a case by case basis.
- * The duration of any implied warranties, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE, regarding perforation defects are limited to the duration of this limited warranty.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions set forth regarding this limited warranty may not apply to you.

SECTION 8

FEDERAL EMISSION CONTROL WARRANTY

STATEMENT

In accordance with the Federal Clean Air Act, as amended, Genesis Motor America (GMA) warrants to the original and each subsequent owner of each new 2022 Genesis branded vehicle that the vehicle: (1) was designed, built and equipped to conform at the time of sale to applicable federal regulations and (2) is free from defects in material and workmanship at the time of sale which would cause the vehicle to fail to conform with such regulations for a period of 5 years from the date of original retail delivery or date of first use or 60,000 miles, whichever occurs first, or up to the first required scheduled maintenance, whichever occurs first. This coverage exceeds the warranty requirements under federal law. Additionally, certain major emissions control components listed under the following “8 Years/80,000 Mile Emission Warranty Parts List” will be covered for a period of 8 years from the date of original retail delivery or date of first use, or 80,000 miles, whichever occurs first. Any part of this vehicle covered under this warranty which proves to be defective will be repaired or replaced by any Genesis Retailer using new or remanufactured Genesis/Hyundai Genuine Parts. This warranty coverage applies to the vehicle regardless of a change in ownership and is transferable to subsequent owners. Failures, other than those resulting from defects in material or workmanship, which arise solely as a result of owner abuse and/or lack of proper maintenance, are not covered by the warranty. INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

EMISSION DEFECT WARRANTY - FEDERAL VEHICLE

WARRANTY JURISDICTION

This warranty applies to vehicles manufactured to either Federal specifications or California specifications which are distributed by Genesis Motor America and registered and normally operated in the 50 United States and Washington D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa and includes the commonwealth of Northern Mariana Islands. INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

WHAT IS COVERED

The primary components covered are listed on the following “5 Year/60,000 Mile Emission Warranty Parts List” and “8 Year/80,000 Mile Emission Warranty Parts List”.

Some items require scheduled replacement as part of the scheduled maintenance of the vehicles. Replacement of these items is warranted in normal service up to the first replacement interval or up to the limits of the applicable emission warranty coverage period, whichever occurs first (Refer to your Owner’s Manual and its Scheduled Maintenance Section).

SECTION 9

EMISSION PERFORMANCE WARRANTY - FEDERAL VEHICLE

WARRANTY JURISDICTION

This warranty applies to vehicles manufactured to either Federal specifications or California specifications which are distributed by Genesis Motor America and registered and normally operated in the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, and includes the commonwealth of the Northern Mariana Islands.

INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

WHAT IS COVERED

Some states and local jurisdictions have established periodic vehicle inspection and maintenance (I/M) programs to encourage proper maintenance of your vehicle. If an I/M program in your area has U.S. Environmental Protection Agency (EPA) approval, you may be eligible for GMA's performance warranty coverage under the following conditions:

1. The vehicle has been maintained and operated in accordance with the scheduled maintenance instructions described in the Owner's Manual provided with your vehicle.
2. The vehicle fails to conform during the warranty period to the applicable emission standards as determined by an emissions test approved by the Environmental Protection Agency (EPA).
3. Such failure to conform results, or will result, in the owner of the vehicle having to bear a penalty or other sanctions, such as denial of the right to operate or use the vehicle or a fine under local, state or federal law.

If all of the above conditions are met, GMA warrants that any Genesis Retailer will replace, repair or adjust to Genesis specifications, at "NO CHARGE", any of the components listed on the following Emission Warranty Parts-Federal Vehicle chart, which may be necessary to cause your vehicle to conform to the applicable federal emission standards.

SECTION 9**EMISSION PERFORMANCE WARRANTY - FEDERAL VEHICLE****WARRANTY PERIOD**

This warranty is effective for 5 years from the date of original retail delivery or if the vehicle is first placed in service as a “demonstrator” or “Company” car prior to delivery, on the date it is first placed in service, or 60,000 miles, whichever occurs first, or up to the first required scheduled maintenance, whichever occurs first. Additionally, certain major emission control components listed under the following “8 Year/80,000 Mile Emission Warranty Parts List” will be covered for a period of 8 years from the date of original retail delivery or date of first use, or 80,000 miles, whichever occurs first. This warranty coverage applies to the vehicle regardless of a change in ownership and is transferable to subsequent owners.

Note:

Federal Emission Warranty

The Federal government requires minimum emission warranty coverage for the first 2 years or 24,000 miles of vehicle use, however, GMA provides greater coverage of 5 years or 60,000 miles for all emission-related components. In addition and consistent with federal regulation, GMA provides coverage for the first 8 years or 80,000 miles for catalytic converters, the electronic engine control module, and the onboard emissions diagnostic device.

EMISSION WARRANTY PARTS LIST

Some items require scheduled replacement and are warranted up to the first replacement interval or up to the limits of the applicable emission warranty coverage period, whichever occurs first (Refer to the Scheduled Maintenance section in your Owner’s Manual). The following is a listing of Emission Parts covered under the emission warranties. For more details about the specific parts that are covered by the Emission Defect Warranty, contact your dealer. If failure of one of the following components results in failure of any other vehicle part, both parts will be covered by the Emission Performance Warranty.

 (See Genesis Owner's Manual for required scheduled maintenance).

SECTION 9**EMISSION PERFORMANCE WARRANTY - FEDERAL VEHICLE****WHAT IS NOT COVERED BY THESE EMISSION WARRANTIES**

THE EMISSION DEFECT WARRANTY AND THE EMISSION PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Normal maintenance service (such as filters).
- Malfunctions in any part directly caused by misuse, modification, improper adjustment, alteration, tampering, disconnection, improper or inadequate maintenance, or use of leaded gasoline or contaminated fuel.
- Damage resulting from an accident or an Act of God.
- Any vehicle on which the odometer reading has been altered so that mileage cannot be readily determined.
- Failures that are a direct result of a lack of performance of required emission control maintenance as outlined in your Owner's Manual.
- Parts or accessories used in applications for which they were not designed or not approved by GMA.
- Parts not supplied by GMA or damage to other parts caused directly by using non-Genesis/Hyundai genuine parts, non-EPA certified replacement parts in the maintenance or repair of the vehicle which ultimately prove to be defective in material or workmanship, or not equivalent from an emission control standpoint to the original equipment part.

- INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

The duration of any implied warranties, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE regarding emission systems defects are limited to the duration of these emission system warranties. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions set forth regarding these warranties may not apply to you.

OWNER'S RESPONSIBILITY

It is the owner's obligation to properly maintain and use the vehicle in accordance with GMA's written instructions in your Owner's Manual. Failures caused by inadequate or improper maintenance are not covered by the warranty. To help resolve questions as to whether the proper vehicle maintenance has been performed, GMA urges that the owner retain all maintenance service records and receipts indicating that service has been performed on the vehicle.

SECTION 9

EMISSION PERFORMANCE WARRANTY - FEDERAL VEHICLE

REPLACEMENT PARTS

It is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new or remanufactured Genesis/Hyundai Genuine Parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PARTS. THE OWNER MAY ELECT TO USE NON-GENESIS/HYUNDAI GENUINE PARTS FOR REPLACEMENT PURPOSES. THE USE OF REPLACEMENT PARTS WHICH ARE NOT EQUIVALENT MAY IMPAIR THE EFFECTIVENESS OF THE EMISSION CONTROL SYSTEM.

If other than Genesis/Hyundai Genuine Parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should determine that such parts are warranted by their manufacturer to be equivalent to Genesis/Hyundai Genuine Parts in performance and durability.

“New or Remanufactured Genesis/Hyundai Genuine Parts” when used in connection with Genesis branded vehicles, means parts manufactured by or approved by GMA, designed for use on Genesis branded vehicles and distributed by GMA.

MAINTENANCE SERVICE

MAINTENANCE, REPLACEMENT OR REPAIR OF THE EMISSION CONTROL DEVICES AND SYSTEMS MAY BE PERFORMED BY ANY QUALIFIED AUTOMOTIVE REPAIR ESTABLISHMENT OR INDIVIDUAL USING ANY PART CERTIFIED PURSUANT TO APPLICABLE EMISSION REGULATIONS: HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY GENESIS RETAILER REPRESENTATIVE.

Claims under the Emission Performance Warranty may not be denied due to the failure of a properly installed certified non-Genesis/Hyundai Genuine Part.

Claims may be denied on the basis of an uncertified replacement part used in the maintenance or repair of a vehicle if we present evidence that the uncertified replacement part is either defective in materials or workmanship or not equivalent from an emission standpoint to the original equipment part and the vehicle owner is unable to rebut the evidence.

SECTION 9**EMISSION PERFORMANCE WARRANTY - FEDERAL VEHICLE**

Receipts covering the performance of maintenance service should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this vehicle. GMA reserves the right to deny warranty coverage if the vehicle has not been properly maintained. However, denial will not be based solely on the absence of maintenance records.

These warranties apply only to vehicles manufactured to United States specifications which are distributed by Genesis Motor America and registered and normally operated in the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, and includes the commonwealth of the Northern Mariana Islands. Vehicles manufactured to other than United States specifications, distributed by other than GMA and registered and normally operated outside the 50 United States and Washington, D.C., the commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, or the Commonwealth of the Northern Mariana Islands are entitled to service of the emission control systems on the basis of the warranty applicable to such other distribution country.

CLAIMS PROCEDURE

To obtain warranty service under these warranties, the owner should return the vehicle to Genesis Retailer during its normal service business hours, where such service will be performed at no charge for parts, labor, diagnosis and tax.

If an owner's warranty claim under the 2022 Emission Performance Warranty is denied, GMA will provide the owner with a written explanation of why the claim was denied 1) within 30 days from the time you bring the car to Genesis Retailer, or 2) within the time required by local, state, or federal law for the vehicle to be repaired without incurring further penalty, whichever is shorter.

Failure to provide an explanation within the 30-day period shall obligate GMA to remedy the nonconformity under the Emission Performance Warranty except:

- o When delay is requested by the vehicle owner.
- o When delay is caused by factors beyond the control of GMA or Genesis Retailer.

SECTION 9

The California Air Resources Board and Genesis Motor America (GMA) are pleased to explain the Emission Control System Warranty on your 2022 Genesis branded vehicle certified for sale in California.

In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. GMA must warrant the emission control system on your Genesis branded vehicle is designed, built, and equipped so as to conform with all applicable regulations adopted by the California Air Resources Board and is free from defects in materials and workmanship which cause the failure of a warranted part to be identical in all material respects to the part as described in the vehicle or engine manufacturer's application for certification, for the periods of time listed below, provided there has been no abuse, neglect or improper maintenance of your Genesis branded vehicle.

Your emission control system includes parts such as the fuel injection system, ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies. Where a warrantable condition exists, GMA will repair your Genesis branded vehicle at no cost to you, including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE:

1. For 5 years or 60,000 miles (whichever occurs first):
 - If your Genesis branded vehicle fails a Smog Check inspection, all necessary diagnosis, repairs and adjustments will be made by GMA to ensure that your vehicle passes the inspection. This is your Emission Control System PERFORMANCE WARRANTY.
 - If any emission-related part on your vehicle is defective, the part will be repaired or replaced by GMA. This is your short term Emission Control System DEFECT WARRANTY.
2. LONG-TERM CALIFORNIA EMISSION CONTROL SYSTEM DEFECT WARRANTY. If an emission-related part listed in this Owner's Handbook on the Warranty Parts List specifically noted with coverage for "7 years or 70,000 miles" or "8 years or 80,000 miles" is defective, the part will be repaired or replaced by GMA. This is your long-term Emission Control System DEFECT WARRANTY.
 - o Specific emission components are covered for 7 years or 70,000 miles, whichever occurs first, see Page 37, NOTE1.
 - o Specific emission components are covered for 8 years or 80,000 miles, whichever occurs first, see Page 37, NOTE2.

SECTION 10**EMISSION CONTROL SYSTEMS WARRANTY - CALIFORNIA VEHICLE****OWNER'S WARRANTY RESPONSIBILITIES**

As the Genesis branded vehicle owner, you are responsible for the performance of the required maintenance listed in your Owner's Manual. We recommend that you retain all receipts covering maintenance on your Genesis branded vehicle, but GMA cannot deny emission warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Genesis branded vehicle to Genesis Retailer as soon as a problem exists. The warranty repairs will be performed at no charge to you, except where a warranted part is not available within a reasonable time (in no case more than 30 days) after the vehicle or engine is initially presented to the Genesis Retailer for repair. In case of such unavailability, repairs may be performed at any available service establishment, or by you, and Genesis will reimburse you for your expenses, in an amount not to exceed Genesis's suggested retail price for the warranted parts replaced and labor charges based on Genesis's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate; you must retain and upon request provide any and all receipts and failed parts to Genesis in order to receive reimbursement due to such unavailability.

As the Genesis branded vehicle owner, you should also be aware that GMA may deny your warranty coverage if your Genesis branded vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact Genesis Customer Care at 844-340-9741 or the California Air Resources Board at 9528 Telstar Avenue, El Monte CA 91731.

INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.

Specific emission parts are covered up to 5 years or 60,000 miles, whichever occurs first, or up to the first required scheduled maintenance, whichever occurs first, see Page 37, NOTE3.

WARRANTY JURISDICTION

This warranty applies exclusively to vehicles manufactured to California specifications which are distributed by Genesis Motor America and registered in the states of California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont or Washington. Its coverage exists in addition to that of the Emission Defect Warranty-Federal Vehicle and the Emission Performance Warranty-Federal Vehicle.

SECTION 10**EMISSION CONTROL SYSTEMS WARRANTY - CALIFORNIA VEHICLE**

SPECIAL NOTE : According to Federal Regulations, your vehicle may also be eligible for additional warranty coverage under the Federal Emission Warranty. California requires minimum emission warranty coverage of the first 3 years or 50,000 miles of vehicle use, with coverage for the first 7 years or 70,000 miles for certain "high cost" emission related parts, determined by a California government specified formula.

We provide greater warranty coverage of 5 years or 60,000 miles for all emission related components and 8 years or 80,000 miles coverage for catalytic converters, and the electronic engine control module (includes onboard emissions diagnostic device).

SECTION 10**EMISSION CONTROL SYSTEMS WARRANTY - CALIFORNIA VEHICLE**

Some items are scheduled for replacement as part of the required maintenance for the vehicle.

Replacement of these items is warranted up to the first replacement interval or up to the limits of the applicable Emission Warranty coverage period, whichever occurs first (Refer to the Scheduled Maintenance chart in your Owner's Manual).

Any such part repaired or replaced under warranty shall be warranted for the remainder of the warranty period for that part.

If the failure of a warranted component causes damage to any other vehicle part, both parts will be covered by the Emission Warranties.

WARRANTY START DATE:

The above-mentioned warranty periods shall begin on the date the vehicle is delivered to the first retail purchaser or, if the vehicle is first placed in service as a demonstrator or company car prior to sale at retail, on the date the vehicle is first placed in such service.

WHAT IS NOT COVERED

THE EMISSION CONTROL SYSTEM DEFECTS WARRANTY AND THE EMISSION CONTROL SYSTEM PERFORMANCE WARRANTY SHALL NOT APPLY TO:

- Malfunctions in any part directly caused by abuse, misuse, modification, improper adjustment except those done by a dealership during warranty service work, alterations, tampering, disconnections, improper or inadequate maintenance, neglect or use of leaded gasoline or other fuels not recommended in the Owner's Manual.
- Damage resulting from an accident or an Act of God.
- Any vehicle on which the odometer reading has been altered so that actual mileage cannot be readily determined.
- Failures that are a direct result of a lack of performance of required emission control maintenance as outlined in your Owner's Manual.
- Parts or accessories used in applications for which they were not designed or not approved for use on the vehicle by GMA.
- Parts not supplied by GMA or damage to other parts caused directly by non-Genesis/Hyundai genuine parts or non-equivalent parts.
- The charge for diagnostic labor which does not lead to the determination that a warrantable condition exists.

SECTION 10**EMISSION CONTROL SYSTEMS WARRANTY - CALIFORNIA VEHICLE**

- * INCIDENTAL OR CONSEQUENTIAL DAMAGES, SUCH AS, LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE, OR COMMERCIAL LOSS ARE NOT COVERED UNDER THIS WARRANTY.
- * The duration of any implied warranties, including those of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE, regarding emissions systems defects are limited to the duration of this limited warranty.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so the limitations or exclusions set forth regarding this limited warranty may not apply to you.

REPLACEMENT PARTS

It is recommended that any replacement parts used for maintenance, repair or replacement of the emission control system be parts supplied by GMA.

Maintenance, repair or replacement of the emission control system may be performed by any qualified automotive repair facility or individual, using parts other than Genesis/Hyundai Genuine Parts without invalidating this warranty.

However, the cost of such maintenance and parts will not be covered under this warranty unless it is an “Emergency Repair” situation (Refer to “Emergency Repair” for definition of emergency repair situation).

Use of replacement parts which are not equivalent in quality to Genesis/Hyundai Genuine Parts may impair the effectiveness of the emission control system. You should make sure such parts are warranted by their manufacturer to be equivalent in design and quality to Genesis/Hyundai supplied parts. GMA assumes no liability under this warranty for any vehicle damage caused by a defect in any such parts.

OBTAINING WARRANTY SERVICE

To obtain warranty service, you must return your Genesis branded vehicle to any Genesis Retailer in California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont or Washington during its normal service business hours, where such service will be performed.

SECTION 10**EMISSION CONTROL SYSTEMS WARRANTY - CALIFORNIA VEHICLE**

When failing a Smog Check test, Genesis Retailer may ask the owner to provide proof that the required maintenance was performed when the dealer has reason to believe that the required maintenance

- o Was not performed and
- o If not performed, may be the cause for the particular vehicle exceeding applicable emission standards.

For a Smog check test failure, if your Warranty Claim under the 2022 Emission Control Systems Limited Warranties is denied, GMA or Genesis Retailer will provide you with a written explanation of why the claim was denied within 30 days from the time you bring the car to Genesis Retailer.

If Genesis Retailer does not notify the vehicle owner within 30 days that a warrantable condition does not exist, then we will repair the vehicle free of charge, unless:

- o The delay is requested by you, the Genesis branded vehicle owner, or
- o The delay is caused by factors beyond the control of GMA or Genesis Retailer.

The lack of availability of warranted parts within 30 days shall constitute an emergency situation (see EMERGENCY REPAIR).

EMERGENCY REPAIR

In an emergency, where Genesis Retailer is not reasonably available, warranty repairs may be made at any available service facility, or by the owner using any replacement part. A repair not being completed within 30 days also constitutes an emergency.

GMA will reimburse you for your expenses including diagnostic charges, for repairs covered by this warranty, for parts at the suggested retail price, and for labor at a geographically appropriate labor rate per the recommended time allowance. For reimbursement, present all replaced parts and a copy of your paid receipt to any Genesis Retailer. GMA assumes no liability for the workmanship of the repair facility.

CALIFORNIA VEHICLE INSPECTION PROGRAM

If your 2022 Genesis branded vehicle fails to pass a Smog Check test after a period of use of 5 years or 60,000 miles, but before a period of use of 8 years or 80,000 miles, whichever occurs first, you may choose to have your vehicle repaired at Genesis Retailer or another service facility.

In the event that Genesis Retailer determines that the smog check failure was caused by the failure or malfunction of a part listed in this Owner's Handbook specially noted with coverage for 8 years or 80,000 miles, then your Genesis branded vehicle will be repaired under this limited warranty at no expense to you, unless the part failure or malfunction was caused by abuse, neglect, or improper maintenance.

However, if Genesis Retailer determines that the smog check failure was directly caused by abuse, neglect, or improper maintenance, then you will be responsible for all diagnostic and repair costs related to detecting and repairing your Genesis branded vehicle so it will pass the Smog Check test. If you choose to have your Genesis branded vehicle repaired at a service facility other than Genesis Retailer, GMA will not be liable for any such diagnostic and repair expenses, except where such repair is necessary by reason of an emergency. If your Genesis branded vehicle is determined to fail the Smog Check test by such service facility, you may deliver your Genesis branded vehicle to Genesis Retailer and have it repaired free of charge in accordance with this warranty.

OBTAINING WARRANTY SERVICE

In the event of a Claim, you must return your vehicle to Genesis Retailer for examination and approval by GMA prior to any repair or replacement.

Warranty service will be provided by Genesis Retailer without charge for parts or labor.

SECTION 11**REPLACEMENT PARTS AND ACCESSORIES LIMITED WARRANTY****WHAT IS COVERED**

Warranty coverage is for repair or replacement of any Genesis/Hyundai Genuine Replacement Part or Accessory supplied from Genesis Motor America which is found to be defective in material or workmanship under normal use and maintenance, except any item specifically referred to in the section "What is Not Covered."

Repairs are to be performed using New Genesis/Hyundai Genuine Parts or Genesis/Hyundai authorized remanufactured parts.
